Winter-Spring 2019

Friends,

A new year and new calendar for the canal house are always exciting. We have some new and exciting activities planned. We hope to see you at our programs. They are open to all and require no admission fees. This year we are going to endeavor to increase our membership. The more members and volunteers we have, the more we can offer the public. Be sure to check for the latest at our Facebook (Blackwells Mills Canal House Association) page or our web site (bmcha.weebly.com).

And remember your annual membership fees help maintain the Canal House.
